

MORRISON
MUNICIPAL
COURT

FOR IMMEDIATE RELEASE

Char Bryant, Court Clerk

(720) 672-5181

court@morrisonco.us

The Town of Morrison Municipal Court will not hold its previously scheduled sessions on March 18th or April 8th for the protection of the public and court staff. Please visit the Town's website, www.town.morrison.co.us or email the Court Clerk, court@morrisonco.us to obtain updates, including the rescheduled dates. Our number is 720-672-5181 but during this time, the most efficient way to contact the Clerk is through e-mail: court@morrisonco.us.

- Scheduled payments can be made online through the Town website, www.town.morrison.co.us. Plea offers may be accepted by making your payment online or by phone up until your original court date.
- If you have been made an offer of a point reduction on your ticket (reducing the original charge to a new charge two point's lower) in consideration of the health crisis, the Town's offer now is a reduction by three points. For example, if you are charged with a 6-point charge it will be reduced to a 3; a 4 point charge would be reduced to 1. You are unlikely to get a better offer by coming to court—and will save court costs.
- If your ticket indicates "SUMMONS" and you have not been offered a plea in advance of court, unless you are facing a charge of not having insurance, you are now being given the option of accepting a plea to a charge reducing three points off the original charge. Contact the court via phone or email to learn of the applicable fine amount.
- Court costs of \$30 are being waived for pleas accepted in advance of coming to court.
- If you are facing a charge of not having insurance, you must come to court on your original or rescheduled date unless you have provided the Town Prosecutor or the Court Clerk with a letter from your insurance company **and** have been advised that the Town is dropping that charge. (You then may be eligible for a plea offer in advance of your court date.)
- If you have a class requirement you preciously agreed to, your deadline is extended by 60 days and, if the class you were ordered to take has an online option, you may take the online version.
- Any documents you need to file with the Court may be scanned and emailed to court@morrisonco.us; faxed to (303) 697-8752; or mailed.
